

Call for applications for travel grants at the OTH Regensburg by the Verein der Freunde der OTH Regensburg e.V. in cooperation with the Josef-Stanglmeier-Stiftung

"Promote. Network. Participate" - under this motto, the [Verein der Freunde der OTH Regensburg e.V.](#) strengthens the network between the OTH Regensburg, business, students and alumni. The aim is to promote research, teaching and further education at the OTH Regensburg. The focus is on supporting committed students. The [Josef-Stanglmeier-Stiftung](#) supports, among other things, further education and training as well as leisure activities for young people in Bavaria. With funds from the Josef-Stanglmeier-Stiftung, the Verein der Freunde der OTH Regensburg e.V. can award travel grants to OTH Regensburg students.

Target group:
