CALL FOR ABSTRACTS AI DAY

OTH
REGENSBURG

April 22nd, 2026
Regensburg Center for Artificial Intelligence
@ OTH Regensburg

TYPES OF SUBMISSIONS

We kindly invite both **professionals** and **students** to contribute abstracts for:
- Talks [12 min + 3 min Q&A]
- Poster presentations

TOPICS

The following topics serve as examples; submissions on any relevant subject are welcome. Repeated presentations from international conferences are also very welcome.

- Industrial applications of AI: custom AI solutions and novel ideas
- High performance & quantum computing, edge AI, technology integration
- AI to improve engineering practices
- AI for sustainability goals (including health, education, etc.)

SUBMISSION GUIDELINES

Please provide the following information:
- Type of contribution (talk or poster)
- Title of your work
- Names of all co-authors including their organisations
- Abstract (150-250 words)
- For talks, please provide a very short author CV (max. 3 bullet points)
- Submissions may be in English or German
- Please note if your presentation or poster may be published after the event (abstracts will always be published)

SUBMISSION PROCESS

- Please send your submission to rcai@oth-regensburg.de.
- You will receive feedback from the committee after the respective submission deadline.
