

# DEMONSTRATOR COMPETITION @AI DAY

April 22<sup>nd</sup>, 2026  
Regensburg Center for Artificial Intelligence  
@ OTH Regensburg

## MOTIVATION

A special highlight of the AI Day 2026 will be a demonstrator competition exclusively designed for **students**.

All students are invited to submit proposals for innovative demonstrator ideas. **Five demonstrators** will be selected by the committee and receive a reward of **500 €** to bring them to life.

The final demonstrators have to be presented at the AI Day. The **best demonstrator** will receive an **additional reward of 1000 €**.

## TOPICS

We welcome all AI-related ideas and set no limits on creativity!  
The more original, the better.

### Proposals:

March 9, 2026: Submission deadline

March 16, 2026: Author notification

## SUBMISSION GUIDELINES

Please submit a one-page-proposal (English or German) answering the following questions:

- *What does the demonstrator show?*  
Describe its core idea and concept.
- *How does it work?*  
Briefly describe AI technologies, hardware and software components and how you will implement them (with funding).
- *What is its impact?*  
Highlight what makes your demonstrator special and unique.
- *How does the audience interact with it?*  
Describe hands-on or interactive elements.

## PROCESS

- Please send your submission to [rcai@oth-regensburg.de](mailto:rcai@oth-regensburg.de).
- You will receive feedback from the committee after the respective submission deadline.

## IMPORTANT DATES

### Selected demonstrators:

April 15, 2026: Demonstrator finalisation

April 22, 2026: Presentation at the conference
