ARTICLE 3 – FINANCIAL SUPPORT

- 3.1 The individual support from Erasmus+ EU funds for the mobility period is EUR [.....], corresponding to EUR [700] per month and EUR [23,33] per extra days. The final amount of Erasmus+ EU funds for the mobility period shall be determined by multiplying the number of months of the mobility covered by Erasmus+ EU funds specified in article 2.4 with the rate applicable per month for the receiving country concerned. In the case of incomplete months, the financial support from Erasmus+ EU funds is calculated by multiplying the number of days in the incomplete month with 1/30 of the unit cost per month.
- 3.2 In addition, the participant shall receive [275] EUR as a contribution for travel.
- 3.3 The reimbursement of costs incurred in connection with special needs, when applicable, shall be based on the supporting documents provided by the participant.

Sufficient health insurance coverage in the partner country is mandatory and has to be organised prior to your departure from Germany. However, the coverage may not be sufficient, especially in case of repatriation and specific medical intervention. In that case, a complementary private insurance might be useful. Annex 1 provides clarity if this is covered by the host organisation or not. If not made compulsory by the national regulation of the receiving country, this might not be imposed on the receiving organisation.

5.4 Acknowledgement **accident insurance coverage** related to the student's tasks (covering at least damages caused to the student at the workplace has been organised and of how it has been organised shall be included in this agreement.

This insurance covers damages to employees resulting from accidents at work. In many countries employees are covered against such accidents at work. It is the responsibility of the institution to check that insurance against accidents at work has been organised. Annex 1 provides clarity if this is covered by the host organisation or not. If the receiving organisation does not provide such a coverage (which cannot be imposed if not made compulsory by the national regulation of the receiving country), the institution shall ensure that the student is covered by such an insurance (taken either by the institution (on a voluntary basis as part of its quality management) or by the participant herself or himself).

ARTICLE 6 – EU SURVEY

6.1. The participant shall receive an invitation to complete the online EU Survey 30 calendar days before the end of the mobility period. The participant shall complete and submit the survey within 10 calendar days upon receipt of the invitation. Each party of this agreement shall exonerate the other from any civil liability for damages suffered by him or his staff as a result of performance of this agreement, provided such damages are not the result of serious and deliberate misconduct on the part of the other party or his staff.

The National Agency of Germany (NA DAAD), the European Commission or their staff shall not be held liable in the event of a claim under the agreement relating to any damage caused during the execution of the mobility period.
