Minimum Teaching Hours:
A) Staff Mobility for Teaching (STA) has to last at least 5 days and contain 8 teaching hours. A minimum of 8 teaching hours per 5 days has to be respected. If the mobility lasts longer than 5 days, the minimum number of teaching hours for an incomplete week shall be proportional to the duration of that week. There is no minimum number of teaching hours for invited staff from enterprises. Travel days, weekends, holidays * are usually not taken into account when calculating the duration of stay.

B) The teaching activity can be combined with a training activity (= measures to improve teaching). Training activities can be e.g. exchange on good-practice in teaching, networking, measures to strengthen cooperation in teaching, development and testing of joint courses and modules. If the teaching activity is combined with a training activity during a single period abroad, the minimum is reduced to 4 teaching hours per 5 days.

Lecture times:
When planning the Teaching Mobility one should take into account the academic calendar of the partner institution:
