**Please send your documents until 15 August 2021 via e-mail to anmeldung_df@oth-regensburg.de.** The VPD can be submitted until 20 September 2021, but you need to apply for it until 15 August 2021. As soon as we have received all the required documents, we will put you on the course list. The places will be assigned based on the date of registration. You will receive an informal e-mail confirming your application, which includes useful information about the enrolment and further steps to take.

You will be **enrolled as a student** during the preparatory semester (subject: "German as a foreign language - preparatory course") and you will receive a student ID card (OTH-Karte). You need to pay a **semester fee** of about 165 € per semester.

Please note that **students from non-EU countries** are only allowed to take on a holiday job while they are participating in the preparatory language course!

If you need a **formal letter** of confirmation (e.g. for your visa), please let us know. Please be aware that the letter can only be issued if the required documents for registration are completely submitted.

In the **winter semester 2021/2022** the courses are expected to start **mid-October 2021**. Please be aware that the courses might be partly or completely online, depending on the development of the pandemic situation. Detailed and reliable information will only be available by September 2021. Only then will we know whether a participation from abroad will be possible.

* If your German language skills have improved since the course registration, you can take an onSET test (or hand in a newly acquired language certificate). Hand in the results no later than one week before the course starts directly at the ZSK or via e-mail to studienvorbereitung.daf@ur.de. The University of Regensburg also offers onSET tests. Dates and registration under [www.ur.de/zentrum-sprache-kommunikation/daf/pruefungen/ondaf/index.html](http://www.ur.de/zentrum-sprache-kommunikation/daf/pruefungen/ondaf/index.html).
