

Information on the Admission to the Bachelor Study Program Nursing Care

A sufficient number of participants is a prerequisite for the study program.
The standard period of study for full-time studies is 7 semesters.

1. Qualification Requirements

- (1) Applicants must be qualified to study at state universities of applied sciences of the Free State of Bavaria in accordance with the Qualification Ordinance (QualV) in its current version.
- (2) Adequate knowledge of German, at least language level C1 in accordance with the Common European Framework of Reference for Languages, both written and spoken, for non-native German-speaking applicants. Proof is provided by the language certificates recognized at the OTH Regensburg.

2. Application Procedure

The application procedure can only be completed electronically. You do not need to submit any documents by mail for the application.

Application Period:

winter semester: 1 May 2021 – 31 July 2021

Please note that this is a cut-off period! Late applications will not be considered.

3. The Following Documents Must be Uploaded with the Online Application

A detailed overview of the documents required for the application can be found in FAQ No. 6. Here you can find a general list:

- university entrance qualification
- curriculum vitae
- extended police clearance (required upon enrollment)
- if applicable, German language certificate DSH 2

Proof of German language skills is provided by the following certificates:

4. Practical Experience

- (1) The practical training in cooperating institutions, together with the practice-related courses and the modules in the skills and simulation laboratory define the practical part of the study program.
- (2) The students are supervised by full-time teachers during the practical phases.
- (3) Prior to commencement of the practical phase, proof of personal and health suitability in accordance with § 2 PfBG must be submitted to the responsible practice institution. The personal suitability is proven by an extended police clearance certificate and the health suitability by a health certificate. The responsible practice facility decides on the degree of completeness and validity.

5. Extended Police Clearance/ Health Certificate

The extended police clearance must be uploaded upon enrollment. This document must not be older than 3 months. If the extended police clearance is not submitted in time, the enrollment must be withdrawn. You will receive a letter of confirmation at the beginning of your studies, which must be completed by the examining doctor during the health examination. This confirmation must be submitted to the Admissions Office (Referat Zulassung und Organisation) of the OTH Regensburg at the end of the 1st semester at the latest, otherwise the enrollment will be revoked.

6. Important Requirements for the Professional Admission as a Nurse

The conditions for granting authorization to use the professional title are met if you:

- have successfully completed your university education and have passed the state final examination,
- have not been guilty of conduct constituting unreliable professional conduct
- are not medically unfit to practice the profession, and
- have the necessary knowledge of the German language for the exercise of the profession.

Proof of this is to be provided by a health certificate and an extended police clearance, which is not older than three months at the time of presentation. The documents can be requested both when entering the practical phase and before admission to the state examination.

If proof is not provided or personal or health suitability is not confirmed, permission to practice the nursing profession cannot be granted.
